

CAMEL

You will need:

- 10 Yellow sticks
- 1 Orange stick
- 1 Red stick
- 1 Black stick
- 1 Bendamodel™ figure

Crimper Cutters 

1

Step 1:

Wrap the Bendamodel™ figure with yellow sticks until it is completely covered (7 sticks). Make sure to remove the tail piece of the Bendamodel™ figure first.

2

Step 2:

Fold 1 yellow stick in half, then roll up each end of the stick to create 2 humps. Press onto the back of the camel.

3

Step 3:

Fold two small pieces of yellow in half and press onto the head to create ears.

4

Step 4:

Coil up a small piece of yellow for the nose, and small thin pieces of black to create the mouth and eyes.

5

Step 5:

Shred 1/4 of an orange stick into thin pieces to create a tail. Coil up 1/2 red stick to create a small hat. Press onto camel's head.
