

CAT FACE

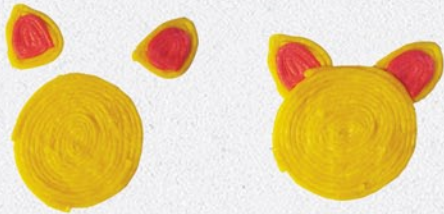

You will need:

- 2 Black sticks
- 3 Pink sticks
- 2 White sticks
- 10 Yellow sticks

2

Step 2:

For the base of the cat's face, coil 8 yellow sticks together into a flat disc. Press the ears onto the back of this disc.

4

Step 4:

Cut 2 black sticks in half and use 3 of these pieces for whiskers.

6

Step 6:

Use the remaining 1/2 black stick – cut into two small pieces to create eyes as shown.

1

Step 1:

Start by making the cat's ears. Bend 1 yellow stick into a triangle as shown, and fill in the middle with 1 pink spiraled into a tight coil. Repeat for the other ear.

3

Step 3:

Make 2 cheeks by coiling 1 white stick into a disc for each one. Press onto face as shown.

5

Step 5:

Coil 1 pink stick into a small disc and squeeze edges into a triangular shape. Press this on top of the middle of the whiskers to create the nose.
