

TABBY CAT

You will need:

- 7 orange sticks
- 1 neon blue stick
- 2 white sticks
- 2 yellow sticks
- 1 yellow stick
- 1 black stick

Scissors

1

Step 1:

Fold 2 orange sticks in half. Pinch their ends together. Press them together at the center to make an X.

2

Step 2:

Fold a third stick in half. Pinch the ends together, then press it against the X shape.

3

Step 3:

Fold down the legs, curve up the neck and tail. Twist the ends of the legs once to make paws.

4

Step 4:

Wrap 1 orange stick around the end of the neck to form a small compact ball.

5

Step 5:

Beginning under the chin, wrap another orange stick around the head, making two points for ears as you go around.

6

Step 6:

Cut 2 small pieces of yellow stick and roll them into eyeballs. Cut 3 small pieces of black stick. Roll them into eye slits, and nose.

7

Step 7:

Wrap 2 orange sticks around the body to add bulk.

8

Step 8:

Starting at the tip of the tail, wrap 2 white sticks around the body. Leave spaces to create stripes.

9

Step 9:

Cut a small length of neon blue stick. Wrap it around the neck for a collar.

10

Step 10:

Cut 4 small pieces of white stick. Wrap them around each of the paws.
