

TINY MOUSE

You will need:

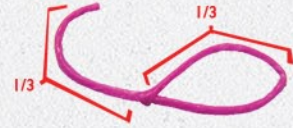

1 black stick
5 purple sticks
6 white sticks
4"x3" foil

Scissors 

1

Step 1:

Make a loop in 1 purple stick as shown.

2

Step 2:

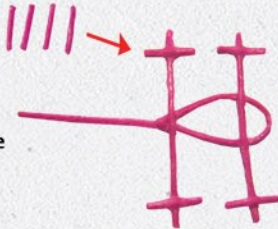

Cut 1 purple stick in half. Lay both halves onto the looped stick as shown.

3

Step 3:

Cut 1 purple stick in half. Cut that half into 4 small pieces. Press one small piece onto the end of each leg as shown.

4

Step 4:

Crumple a 4"x3" piece of foil into a small egg shape. Press it into the purple oval as shown.

5

Step 5:

Flip the mouse over. Point the toes of the feet in the same direction. Wrap 1 white stick around the bottom of the head. Make two loops, one at each end. Press them against the purple to secure them.

6

Step 6:

Beginning at the tail, wrap the body in 5 white sticks. Finish at the nose and trim any extra with scissors.

7

Step 7:

Cut 1 purple stick in half. Roll each half into spirals and press them into the ears. Cut 1 small piece of purple stick and roll it into a small nose.

8

Step 8:

Cut 2 small pieces of black stick. Roll them into eyes and press them on.
