

TINY TURTLE

You will need:

- 15 green sticks
- 14 blue sticks
- 4 purple sticks
- 3 yellow sticks
- 1 orange stick
- 1 neon blue stick
- 1 white stick
- 1 neon red stick

Scissors 

2 Step 2:

Fold the legs down. Point the tail up. Pinch together the top of the head as shown.

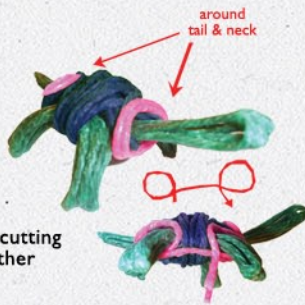

pinch top together, leave bottom flat.

4

Step 4:

Wrap 1 purple stick twice around the neck opening. Repeat with another purple stick around the tail opening.

Wrap 1 purple stick once around each leg and one side, cutting off the extra. Repeat with another purple on the other side.

around tail & neck

7

Step 7:

Cut several small pieces of neon blue stick to fill in the spaces between the spirals on the shell.

9

Step 9:

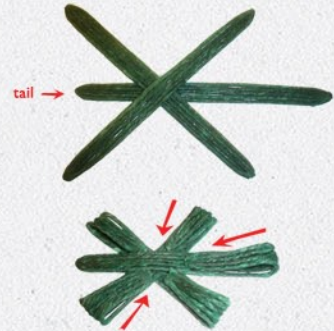

Cut 2 small pieces of blue stick and press them onto the eyes. Cut 1 short piece of neon red stick for the mouth. Cut 1 slightly longer piece of green stick and press it against the bottom of the mouth, as shown.

1

Step 1:

Divide 15 green sticks into 3 sections of 5. Pinch the ends together. Press into the shape shown here. Fold the ends of the 5 long pieces back in toward the center.

3

Step 3:

Wrap the body in 14 blue sticks, weaving alternately between the tail, legs, and head.

5

Step 5:

Flip the turtle on its back. Zig zag 3 yellow sticks across the belly. Cut off any extra.

6

Step 6:

Turn the turtle over again. Make an orange spiral with a little less than 1 orange stick. Press it against the center of the shell. Cut 3 yellow sticks in half and roll them into 6 small spirals. Press them onto the shell as shown.

8

Step 8:

Make 2 small white ovals. Press them against the head on either side. Wrap 1 neon blue stick around each white oval, cutting off the extra.
